You may be asked to meet the Captain and Members of the Committee as part of the application procedure.

4. Etiquette and Dress

You should be familiar with the Rules of Golf and Golf Etiquette, with particular regard to safety, consideration, and priority on the course and care of the course. Local Rules and Club Rules are published for your guidance on the notice board and include the following:-

Slow play should be avoided at all times. A four-ball game should be completed in four hours or less. A four-ball or three-ball must always allow a two-ball match through. Slower games should always call faster games through, whenever there is a clear hole in front.

Always rake bunkers properly after use, repair pitch marks on the greens, avoid damaging the greens with shoe spikes, particularly near the hole, replace divots except on the tees, and do not wheel trolleys on the green or green aprons or where indicated by the Green keepers markings. Use the sand and seed provided on the par 3 tees.

Smart casual dress is required at all times on the Course and in the Club Bar and Snooker Room. Jeans, trainers, beach shorts, T-shirts, vests and bare torsos are not permitted. Tailored shorts may be worn on the Course but are not permitted in the Club Bar after playing. Jackets are not required in the Club Bar except on formal occasions. Proper golf shoes are required on the Course.

Practice is not permitted on any part of the Course at any time. There is a practice putting green adjacent to the Hotel and there is a large practice ground with bunker etc to the right of the 15th fairway for the use of Members and Hotel Guests. (Take the road crossing the course towards Langness Lighthouse).

The use of Motorised Buggies is not permitted in Open or Club Competitions. Such approval can only be granted on medical grounds and any request for this facility should be in writing to the Owner and Committee and should be accompanied by an appropriate medical report or letter, which will be treated in strict confidence.
